
Advance Notification of End-of-Sale of X460

Versatile Interface Modules (VIMs) and Feature Pack

This document is the advance notification of the December 31, 2017 end-of-sale select Versatile Interface Modules (VIMs) and the Timing feature pack for the legacy X460 switches that went end of sale on June 30, 2017.

The X460 switches went end of sale on June 30, 2017 and Extreme Networks is now providing the six month notification of the upcoming end of sale of selected VIM modules and a feature pack for the X460.

Products Affected

Part #	Product Description
16117	XGM3-2sf option card, two unpopulated 10 Gigabit SFP+ slots, compatible with Summit X460
16419	SummitStack Module for Summit X460
16420	SummitStack-V80 Module for Summit X460
16125	ExtremeXOS Network Timing Feature Pack for Summit X460 Series Switches

Please note that the end of sale date for an individual model will be driven by “while supplies last”. If demand for a specific model spikes over what has been the normal demand for that model, the end of sale date for that specific model may happen earlier than December 31, 2017.

Definitions

- **End-of-Sales Announcement Date:** Date of official End-of-Sales notice.
- **End-of-Sales Date:** The last date to order the product through Extreme Networks point-of-sale mechanisms. The product is no longer offered for sale after this date.
- **End-of-Life Date:** The last date a product will be supported by Extreme Networks.

End of Sales Milestones

Platform	EOS Announce Date	EOS Date	EOL Date
Selected X460 VIMs & Feature Pack	7/1/2017	12/31/2017	12/31/2022

Replacement Products

There are no replacement products for these VIMs or feature pack since the switches that can be used with these options are no longer be available for sale.

Product Availability

These end-of-sale notice products will be orderable until December 31, 2017 or until inventory is depleted and no longer available.

Ongoing Support

New contracts may *only* be added in the first 12 months following the end-of-sale date. Existing contracts may be renewed during the first 4 years of the end-of-support period, provided that during the period following the end-of-sale date, the hardware replacement services provided do not include any 4-hour or onsite services, and that the contract expiration date does not extend beyond the end-of-support date as specified above. During the support period, replacement of product and/or repairs may be limited by availability of components. Extreme Networks reserves the right to change prices and/or discontinue any service plans at any time on end-of-sale product. For detailed information regarding service pricing on this end-of-sale product, please consult your local Extreme Networks sales representative for the most recent price list.
