
Advance Notification End of Sale for Identity Engines

This Document provides end of sale notification for:

This document is intended to provide advanced notice that effective December 31st, 2018 Extreme will no longer sell the following Identity Engines Legacy Material Codes:

- Ignition Server LITE
- Ignition Server SMALL
- Ignition Server LARGE
- Ignition Guest Manager
- Ignition TACACS+

Extreme Networks continues to offer Network Access Control (NAC) with the ExtremeControl product line part of the Extreme Management Center (XMC) suite. ExtremeControl provides a well-integrated single pane of glass NAC solution as part of XMC and Extreme Cloud Appliance. The following functions are provided:

- Dynamic role-based network access control based on contextual identity information
- Tight integration with third party solutions such as NGFW, SIEM, CMDB, internet security and EMM/MDM
- Proactively secure guest access and BYOD onboarding
- Built-in device profiling with internal and external profiling techniques
- Integrated agent-based and agentless security posture assessment
- Secure IoT network access
- Granular and intuitive policy configuration and troubleshooting tools
- Out-of-the box multi-vendor infrastructure support
- Flexible deployments with enterprise grade physical and virtual appliances
- Simple to deploy with built-in AAA and Radius, portal, device profiler and assessment server
- Supports multiple authentication/authorization sources (AD, LDAP, local)

Products Affected by this EOS Announcements:

Material Code	Description

Product Availability:

These end-of-sale notice products will be orderable until December 31st, 2018.

Ongoing Support:

New contracts may *only* be added in the first 12 months following the end-of-sale date. Existing contracts may be renewed during the first 2 years of the end-of-support period, provided that during the period following the end-of-sale date, the hardware replacement services provided do not include any 4-hour or onsite services, and that the contract expiration date does not extend beyond the end-of-support date as specified above. During the support period, replacement of product and/or repairs may be limited by availability of components. Extreme Networks reserves the right to change prices and/or discontinue any service plans at any time on end-of-sale product. For detailed information regarding service pricing on this end-of-sale product, please consult your local Extreme Networks sales representative for the most recent price list.

Contact Information:

For more product and service information, please contact: anordersupport@extremenetworks.com or your local Extreme Networks partner or sales representative.

This notice is further conditioned upon the terms and conditions as described in Extreme's published End of Sales / End of Support / End of Life policies located at the following link:
