
Advance Notification of transition to Extreme Networks License Portal, and End of Sale for Software Trial and Uplift licenses.

This document is the advance notification of intended transition to the Extreme Networks Software License Portal, and the April 8, 2018 End of Sale for various Trial and Uplift licenses. These changes result in the transition of software licenses to the Extreme Networks license portal. This notification does not imply any lifecycle changes to the underlying platforms or operating systems to which these software licenses apply.

Trial licenses will be generated by customers directly through the Extreme Licensing portal. Separate Material Codes and purchases are not required.

Uplift codes will not be supported. The replacement code represents the perpetual license for the combined set of features.
