

Immediate End-of-Sale Notification for Legacy WiNG Power Supplies and Antennas

This document provides end of sale notification for:

- **End-of sale for Legacy WiNG Power Supplies**
- **End-of sale for Legacy WiNG Antennas**

Several legacy WiNG Power Supplies and Antennas supported by Extreme Networks® have reached the end of their sales cycle. These existing Power Supplies and Antennas are being replaced by newer Extreme Wireless part numbers.

Refer to the table “Replacement Products” for suggested replacement part numbers for legacy power supplies and antennas.

Terms & Conditions

Orders are subject to product availability. Extreme Networks shall not have any liability for failure to meet a delivery date.

Ongoing Support

New contracts may *only* be added in the first 12 months following the end-of-sale date. Existing contracts may be renewed during the first 4 years of the end-of-support period, provided that during the period following the end-of-sale date, the hardware replacement services provided do not include any 4-hour or onsite services, and that the contract expiration date does not extend beyond the end-of-support date as specified above. During the support period, replacement of product and/or repairs may be limited by availability of components. Extreme Networks reserves the right to change prices and/or discontinue any service plans at any time on end-of-sale

product. For detailed information regarding service pricing on this end-of-sale product, please consult your local Extreme Networks sales representative for the most recent price list.
