

Qvidian for Microsoft Office

Craft persuasive proposals rapidly by adding approved and formatted Qvidian library content without ever leaving Word or Excel.

**Essential Qvidian functionality,
with ridiculously intuitive controls.**

Work together virtually, finish drafts in minutes.

Automate away the repetitive manual tasks in your proposal process. Focus on trickier questions and tailoring documents instead.

- Add content individually or automatically insert the best answers to blocks of RFP questions in bulk.
- Work together virtually with Teams and SharePoint and see contributors' edits and feedback in real-time through Office Online.

Breeze through complex Excel-based RFPs.

Tackle Excel-based RFPs with confidence. When deadlines loom, have the full power of Microsoft Excel at your fingertips.

- Full support for macros, protected worksheets, conditional cells, calculations, and beyond.
- Even occasional contributors and users who have never tried Qvidian can work on Excel-based proposals with practically no learning curve.
