YOUR WORKFLOW, ONLY BETTER

“With deals on the line, our clients need an efficient, easy-to-use platform for UCC filings.”

MARIA OZAETA
SENIOR CORPORATE SPECIALIST

For law firms, UCC filings can be both high-risk and an administrative burden. This one step in the deal can secure millions of dollars in assets. Preparing filings for deals can involve a lot of redundant data entry and tedious checking for accuracy across multiple forms. This is a process that can benefit from technology support.

UCC Filing Hub is a simple, intuitive UCC filing solution that's built around the way your deals work. It was designed from the ground up with hands-on input from law firm professionals. Every detail delivers accuracy, maximum efficiency, and intuitive use. Its clean, straightforward interface is only one of the many ways it will help you add more value to your work.

WITH UCC FILING HUB
YOU GET:

- In-form document preparation for a seamless process that matches your own
- E-filing (without rekeying) in 46 states to ensure accuracy and speed to public record
- Bulk processing to relieve the hassles and inaccuracies of manual input
- A robust audit engine to aid compliance and reduce threat of rejections
**ORGANIZE BY DEAL**

- Group deal-related filings in client matter folders
- View most recent and relevant matters at the top
- Share filings easily from one, centralized application

“CT simplified and streamlined my filing process through their UCC Filing Hub. I filed and tracked over 20 UCC-1s with the hub and really like how I can do all of this on one user-friendly platform. Being able to upload and include exhibits right in the Hub as well as update multiple documents all at once saves time and resources.”
